| How to Use at Medical Institutions | To receive consultations at medical institutions, use your MyNumber health insurance card and enter your facial recognition or PIN. In case your MyNumber health insurance card is unavailable, you can visit clinics/hospitals by presenting it together with your MyNumber health insurance card. (You cannot receive a medical examination using only the "Notice of eligibility information").                                                                                                                                                                                                                                                                                        | Present this certificate at the counter of medical institutions in the same way as your previous health insurance card. . |
| Other                              | ※One of either above ① or ② will be issued per person. Please check the description when you receive the document. If there are any errors, please contact the details below.<br>※If you are already insured by other health insurance, please complete the National Health Insurance withdrawal process immediately at the following counter, at the Asaba Branch Office 1F, Citizen Service Division, via online or via post.<br>※ For the elderly or those with disabilities who have received ① and have difficulty in using MyNumber health insurance card at medical institutions, ② will also be issued on request. To apply for this procedure, please contact the details below. |                                                                                                                           |
