ブラントリー・マイケル | 2025夏 家族、来日 PART1

先月、アメリカ・ワシントン州から妹が遊びに来てくれました。一週間の滞在でしたが、とても楽しかったです。妹は以前にも一度日本に来たことがありますが、袋井市は初めてだったので、案内しました。

最初に紹介した場所は浅羽の海でした。その日は普段と違って、波も風も穏やかでした。浜風を感じながら、砂に散らばった貝を集めたり、ビーチでリラックスするのはとても気持ちよかったです。

妹の旅行のハイライトは袋井の名所「和いち遊園」でした。甘くて美味しいいちご狩りを楽しみました。遊園には遊具が室内や外にたくさんあり、子供たちと妹が一緒に思いっきり遊びました。

CIR REPORT JUNE

Michael Brantley Summer 2025 Family comes to Japan, Part 1

Last month, my sister came to visit from Washington in America. She only stayed for a week, but we had a lot of fun. My sister has been to Japan before, but this was her first time in Fukuroi so we showed her around.

The first place we took her was to the ocean over in Asaba. When we went, the wind and the waves were gentle, which was different from how they usually are. It felt good to feel and sea breeze while collecting the shells that were scattered in the sand.

The highlight of my sister's trip was going to Kazuichi Park. She enjoyed picking delicious sweet strawberries. There were also a lot of indoor and outdoor toys, so my sister and my kids played to their hearts' content.

One week came and went in the blink of an eye. If I were to show my sister all the good spots in Fukuroi, I would need a lot more time, right? My sister has already gone back home, but I'm not that sad about it; this month my parents are coming to Fukuroi! So, if you see us out somewhere, please feel free to say hello.
